

David Reeves
NCM Ambassador
Syracuse Corvette Club

Hello David,

Just over 10 years ago the National Corvette Museum launched the NCM Insurance Agency. Over the last 10 years we have grown substantially, but we have not been able to offer coverage to residents in the great state of New York. We have been asked countless times “When?” and we have not had a clear answer.... Until now!

We are extremely excited to be able to now offer coverage to your fellow car enthusiasts in your club, or other car clubs. Below you will find information to help you share with your club.

- We can insure **ANY** Year, Make and Model collector vehicle (not just Corvettes!)
- **Agreed Value Protection** – We agree on what the car is worth, and this is what your friends will receive in the event of a total loss. No questions as to what the car is worth.
- **NCM Member?** We have a discount for members of the National Corvette Museum.
- **Deductible options** – from \$50 and up to help reduce premium
- **One Liability Charge** – Own more than one collector vehicle? No need to pay liability on each one like standard auto insurance.
- **Expert Claims Service** – Top notch experts in collector vehicles will guide you through the claims process.
- **Helps support the National Corvette Museum.**

As an Ambassador of the National Corvette Museum you receive points, and this is another way to earn points. 1 point for every quote and 2 points for an issued policy. This is self-monitored, so your members will want to notify you of your progress. Attached to this email you will find a quote request form. You and your fellow members can also call our office at 877.678.7626 to speak with an in-house agent or visit us online at ncminsurance.com. We have four outstanding agents ready to speak with you!

We are very excited about opening in your state, and we hope to earn your business!
